

## Applicator Driver – Farmers Cooperative

Farmers Cooperative is seeking interested candidates for their Applicator Driver position within their Ames/Drummond location.

A successful candidate will be responsible for applying fertilizer and agriculture chemicals to support farmers in increasing their crop yields. They must be able to operate heavy machinery and hold a current driver's license with a good driving record. Previous experience is preferred but not required.

Interested applicants can submit their resumes to [careers@okagcoop.org](mailto:careers@okagcoop.org) ATTN: Farmers Cooperative.
