

Controller – Garber Cooperative Association

Garber Cooperative Association is seeking interested candidates for their controller position in their Garber office.

The successful candidate would be responsible for daily office functions and customer service while managing the financial reports and accounting functions alongside the general manager. They must be able to reconcile all bank account statements, oversee membership equity, prep monthly financial statements and responsible for A/P for all locations and any other duties assigned. This position directly supervises the employees in the office.

The applicants must have a bachelor's degree from a four-year college or university or equivalent experience and/or training.

Garber Cooperative Association offers competitive salary and benefits for the right candidate.

Interested applicants can submit their resumes to careers@okagcoop.org ATTN: Garber.
