

Location Manager – Sooner Cooperative, Inc.

Sooner Cooperative Inc., located in Okeene, OK, is accepting applications for the position of location manager at their Loyal location. The applicant must be able to manage employees, daily operations and oversee all services offered at the location. The candidate must possess a strong work ethic, have excellent leadership skills, communications skills and sound decision making ability.

The successful candidate will be managing the full-service location where they will oversee employees, grain operations, ordering fuel, feed, fertilizer and crop protection products. Candidate must have a bachelor's degree in agriculture or related field, or 2-5 years of equivalent experience. A strong working knowledge of agronomy and fertilizer is a plus.

Sooner Cooperative, Inc. is a team oriented, full-service agricultural cooperative with four locations across northwest Oklahoma. They pride themselves on the excellent customer service they provide within all of their departments.

Sooner Cooperative, Inc. offers competitive salaries and excellent benefits for the right candidate.

Applications will be accepted until March 1, 2019.
